Subject: HI Rich...Matt McFetridge here from Al Jazeera America...how are you?

Are you the point PAO for Animas River/Durango incident?

If so, we are headed up there and want to know if we can interview EPA types on the ground tomorrow morning?

If not, can you please tell me who the EPA PAO is and if he/she is on the ground in Durango?

Is EPA Regional Chief Shaun McGrath in Durango?

Sorry to bombard you with questions and I hope this email finds you well.

Best

Matt
